Personal Calgary Action Plan

Turn information into a short, owned sequence of next actions.

Keep the plan small enough to use. Choose the next three priorities first. Add another task only after one is completed, scheduled or handed to the correct authority.

My current stage

Stage	Check one	What it means
Deciding		Testing whether Calgary fits
Preparing		Organizing before travel
Arriving		First 72 hours and immediate safety
Setting up		Government, housing, banking and transport
Settling in		Work, family and daily life
Building forward		Budget, taxes, credit and stability

My three priorities

Decision notes

The biggest uncertainty I need to reduce:

The cost I need to verify:

The commute I need to test:

The document I need to locate:

The person or authority I need to contact:
